# ENGLISH COURSES

## GENERAL ENGLISH

**Duration:** 1-60 weeks

**English for everyone**

This course is for students who want to communicate in an everyday English speaking environment. It is designed to improve students' reading, writing, listening, and speaking skills. The courses are available at graduated levels from beginner to advanced, varying from functional English at the lower levels to more academic English in the advanced classes. Course delivery is fun, modern, active, and challenging. On completion of their studies students will receive a certificate indicating their level of proficiency.

## IELTS PREPARATION (International English Language Testing System)

**Duration:** 1-12 weeks

**English for entry into tertiary education**

This course is for students who want to gain the IELTS score they need for university, vocational education and training/ TAFE, or migration purposes. Our IELTS preparation course is designed to improve students' reading, writing, listening, and speaking skills. The course focuses on examination preparation and is for advanced students. Student progress is monitored through regular assessment and class participation and programs are flexible to meet the needs of the individual students.

## YOUNG LEARNERS ENGLISH PROGRAM

**Duration:** 1-40 weeks

**English for children aged six to 12 years old**

Imagine Education is pleased to offer a Young Learners Program, which closely follows the Australian Primary School Syllabus. It is perfect for children aged six to 12 who plan to attend primary school in Australia. It is also suitable as a holiday program for children travelling with their families (e.g. Mother and Child Program) as there is no minimum number of weeks to study. The Young Learners English Program is designed to help young people learn about Australian culture and lifestyle, express their thoughts about themselves, and react to the world.

## HIGH SCHOOL PREPARATION ENGLISH PROGRAM

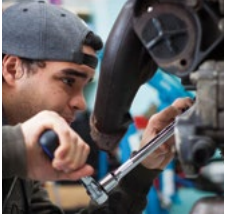

**Duration:** 60 weeks

**English for children soon to enter high school**

This course is designed to help students wanting to study in an Australian high school develop the required level of English language proficiency. The course content is based on the Queensland Senior Secondary School core subject areas. These include English for Mathematics, English for Science, Novel, Academic Writing, and Public Speaking. The course delivery encourages positive, pro-active learning, with caring individual attention. Students develop self-confidence, maturity, and self-awareness, while developing effective study habits appropriate to cope with the demands of the Australian education system.

# STUDENT TESTIMONIALS

## WHAT OUR STUDENTS SAY

Students travel from all around the world to study at Imagine Education. Many of our students start in General English and progress onto vocational education courses in fields that reflect their passions. At Imagine, our teaching style is inclusive and industry-engaged, which keeps our students coming back for more. Read the testimonials below and discover what our students have to say about Imagine.

“ At Imagine, I learnt how to write, read, listen, and speak English. My English ability has improved so much in such a short time! I love that I have made many friends from all over the world and learnt about different cultures.

I also think that the teachers have been very welcoming and helpful. I plan to go on to study child care and I am confident that my English is now strong enough to be able to succeed in my chosen career path. ”

**TAE ENOKISHIMA, JAPAN**  
// General English student

“ When I came to Australia, one of my goals was to improve my English, so I studied General English at Imagine. The classes were fun and the teachers and my classmates were very nice. Because cooking is one of

my interests, after I graduated General English I moved to Imagine's Main Campus to study my Certificate III in Commercial Cookery. I really enjoy the course, so I've now enrolled in my Certificate IV in Commercial Cookery. ”

**OTIS CHENG, HONG KONG**  
// Hospitality student

“ When I first came to Imagine to study General English, I really loved the teachers. And when I came back to study child care, I noticed the exact same thing. The teachers were so gentle and patient. My child care

teacher is absolutely amazing. She is so patient, so lovely, and explains everything so well. Now I love interacting with the children, spending my time with them, and seeing their faces happy and excited. Everything about it is good! ”

**KARINE MACHADO, BRAZIL**  
// Child Care student

“ Studying at Imagine Education has opened up a world of educational growth I never knew was possible. Having previously studied at another institution, Imagine's teaching technique is beyond compare. I love the face-to-

face classroom ambiance and the effectiveness and efficiency of the trainers. I plan to progress to a Bachelor of Nursing after I have completed my Certificate IV in Ageing Support and I have no doubt Imagine can help me get there. ”

**HAZEL PELILA, PHILIPPINES**  
// Aged Care student

At Imagine, our hospitality students have access to our commercial kitchen, Culture Kitchen, in Southport where they can gain hands-on food preparation and culinary experience. Culture Kitchen is a short walk from our Southport Central Campus, and Imagine students are welcome to enjoy a coffee, tea, or hot chocolate for just \$1 upon presentation of their student identification card. Culture Kitchen is open from 9:30am to 2:00pm, Monday to Friday.

## FRIDAY ACTIVITIES

Friday is time for fun at our Southport Central Campus! Students are welcome to get involved in one of the free activities that we run on a weekly basis, including Movie Club, where we watch a selection of new-release movies on our interactive whiteboards; Games Club, where board game lovers can battle each other; and Grammar Club, for those who want to improve upon their English grammar outside of class.

## STUDENT EVENTS

Imagine is excited to announce our new student events program! This monthly program features exciting student party or activity and is open for students at all of our campuses. Activities include surfing, water obstacle courses, hiking, high ropes courses, scavenger hunts, BBQs, wildlife encounters, kayaking, and much more! For enquiries, please email us at [events@imagineeducation.com.au](mailto:events@imagineeducation.com.au).

## IMAGINATION MAGAZINE

*Imagination* is a quarterly publication for students living and studying in the Gold Coast. We understand how daunting it can feel to be new to Australia, so that's why we created this magazine. Inside, you'll find a tonne of information about life on the Gold Coast, top tips for international students on a budget, advice from students for students, delicious and easy to cook recipes, exclusive updates on all the amazing activities happening at Imagine and around the Gold Coast, and much more! For enquiries, please email us at [magazine@imagineeducation.com.au](mailto:magazine@imagineeducation.com.au).

## STUDENT INTERNSHIP PROGRAM

Every quarter, Imagine is on the look-out for a hard-working, enthusiastic student to work with us on the production of our magazine, *Imagination*. Our Student Internship Program is open to students from both our Southport Central and Main Campuses, and is great work experience for those interested in marketing and communications. For enquiries, please contact us at [magazine@imagineeducation.com.au](mailto:magazine@imagineeducation.com.au).

## AUSSIE TASTER BAG

In Australia, we love meeting people from all different cultures and love introducing newcomers to the Aussie way of life. To help settle into their lives in Australia, new students are given an Aussie Taster Bag at orientation. The Aussie Taster Bag contains a stack of goodies, including a copy of the latest *Imagination* magazine, a book of student discount vouchers, a pen and notebook, plus some delicious Aussie treats including Tim Tams, Vegemite, and more!
