About Toronto School of Management

Toronto School of Management (TSoM) works with industry leaders to design and deliver innovative, career-centric programs. We work tirelessly to provide students with the right combination of academic excellence and practical hands-on experience, educating ambitious people to take their careers further.

We offer programs in business, hospitality & tourism, big data and accounting. Focusing on the practical competencies that you'll need in the workplace. Most of our programs offer real work experience with our partners: by taking part in a real business, you will be prepared for life after graduation.

Located among some of North America's leading firms, we're the ideal environment for students eager to immerse themselves in a vibrant business community.

You'll have an excellent learning experience from the start of your program to finding a job after you complete it. At TSoM, you're supported every step of the way.

Some of our Co-op partners

Toronto School of Management has partnered with many different companies from a range of industries to make sure that you get the most benefit from your program.

Why study with us?

Toronto School of Management (TSoM) mandate is to provide a comprehensive and balanced mix of programs and services that support the success of our students in work and life.

We can help you succeed in all professional aspects of your life by providing you with full support, and the industry-relevant knowledge and skills you need to progress in your career. With TSoM, you will study high quality programs taught by our experienced faculty, who are experts when it comes to helping students achieve their full potential in their exams.

Our vibrant Toronto campus is situated in the heart of Ontario's capital – Canada's business and culture hub. The central location only enhances the student experience, with public transport easily accessible, as well.

We are excited to welcome students from around the world and guide them along the path to become successful accountants and business people.

Expert faculty with industry knowledge who support your development

Co-op programs linking classroom studies with on-the-job training

Convenient downtown location on a main subway line

State of the art facilities providing an optimum learning environment

English Pathways with The Language Gallery and other language schools

A focus on your experience ensuring that your academic and career goals are met

Part of the GUS group

Global University Systems (GUS) is a higher education management organization with over 20 institutions spread across North America, Europe and Singapore with more than 55,000 students studying with the group right now.

GUS has a proven track record of success when it comes to helping learners achieve their qualifications and securing their dream careers. We are proud to be part of a group that puts students first.

Why choose Toronto?

Toronto is one of the most diverse cities in the world, with the third largest percentage of immigrants in one city – so everyone can feel at home. It’s a centre of international commerce and the economic capital of the country, with plenty of job opportunities for new graduates.

All sorts of industries thrive in this region, including technology, financial services, life sciences, and the automotive field. Toronto is one of the top financial centres of the world, ranked by Business Insider as one of the top 10 most high tech cities, and part of one of the world’s best start-up ecosystems.*

Lots of companies in the Fortune 500 have offices in Toronto, including:

Citi	Kellogg	Staples
Ecolab	Microsoft	Wal-Mart
Federal Express	Nissan	Wells Fargo
Hershey	Oracle Corporation	
Hewlett-Packard	PepsiCo	

Forbes also ranked Canada ‘Best for business’ among G20 countries, and Toronto itself is one of the best ‘future-ready’ cities - which means it is a great place for innovative businesses and start-ups.**

of international students recommend Canada as a study destination

of international students plan to apply for permanent residence in Canada

The top three reasons international students choose Canada are:

Quality of Canadian education system

Canada’s reputation as a **tolerant** and **non-discriminatory** society

Canada’s reputation as a **safe** country

Toronto attracts over **25 million** visitors every year

It is Canada’s **largest city**

494,525

international students in Canada at all level of study in 2017

increase in international students in Canada between 2010 and 2017

International students created over **81,000** jobs in Canada

Support services at TSoM

When you study at Toronto School of Management (TSoM), you become part of a larger community and you can expect support from us all the way. This includes:

Accommodation and Student Activities Support:

Accommodation:

- TSoM offers a wide range of accommodation options for you. Depending on your budget and preference, this can range from student residence, homestays, apartment/condo rental, hotels and Airbnb. TSoM can facilitate your accommodation arrangements. We can also arrange airport pickups for when you first arrive in Toronto.

Activities and Events:

- To make the most of your time in Toronto while studying, we provide students with activities that are going on around the city. Tours to key attractions such as Niagara Falls, Montreal/Quebec, New York can also be arranged with tour agencies.
- We have students from over 50 nationalities. At TSoM, we celebrate different cultures through various events which you can partake in.

Career Services Support

One distinct advantage of studying in Toronto is that all international students can work part-time during school and full time during scheduled breaks. Most of our programs have a Co-op component. To support your Co-op component and part time job search, you can take advantage of our career services resource where we provide:

- One-on-one career assistance with resumes, cover letters, and coaching.
- Access to networking tools
- Mock interviews and tips
- Career development workshops
- Support in job application and selection process
- Industry-relevant guest speaker events
- Networking events

Student Services Support

The Student Services department plays a key role in helping you to transition to TSoM and living in the city. Student Services assists and advises students in the following areas:

- Orientation
- Printing materials for class
- Student advising
- Academic advising and course registration
- Connecting students with proper advisors and Immigration consultant partners
- Information workshops
- Health insurance and health related information
- Guidance Obtaining Social Insurance number
- Volunteering opportunities
- Life in Toronto
 - Opening bank accounts
 - Dining
 - Leisure
 - Transportation
- Issuing student letters and student ID cards
- Interfaith Room

Diploma in Cybersecurity Specialist Co-op

Key facts

Start dates:
January, May, September

Full-time Duration
Academic: 24 weeks in-class
with 12 weeks Co-op

Total Length: 51 weeks
including scheduled breaks

Class time:
Daytime

Why study the Diploma in Cybersecurity Specialist Co-op?

This one year program is ideal if you are looking to becoming familiar with all aspects of cyber security such as Blockchain, Big Data, IOT, etc. This course will also allow you to get practical experience of tools and techniques that are widely used in this field.

This program will allow you to:

- Study computer systems and networks and assess risks to determine how security policies and protocols can be improved
- Anticipate information security risks and implement new ways to protect organizations’ computer systems and networks
- Handle computer communication across multiple operation systems
- Respond to security alerts, uncover and fix flaws in computer systems and networks
- Utilize technologies to perform or prevent cyberattacks of various types

Program modules

You will have 480 hours guided learning hours followed by 240 hours practicum hours in an established business. The work placement will help you apply the theories you learn to practical business situations. We will help you secure your work placement by sending you for interviews.

The modules are:

- Introduction to Cybersecurity
- Computer Networks
- Communications, Operation Systems and Data Management
- Programming languages for Cybersecurity
- Concepts and Practical Implication of Encryption
- Information Security in the Cyber World
- Penetration testing
- Hackathon
- Work Placement

Assessment method

You must take and successfully complete all modules and the co-op to be awarded a Diploma in Cybersecurity Specialist Co-op.

You are required to achieve a minimum overall grade of 50% per module in order to pass. If you fail to meet the learning outcomes and the 50% passing grade in each module, you will have an opportunity to re-take the module at the next available sitting.

The assessment of each module consists of:

- Module 1 to 7
Individual assignments or class tests -----50%
Final Exam-----40%
Participation -----10%
- Module 8
Individual assignments or class tests -----90%
Participation -----10%
- Module 9
Work Placement Evaluation ----- 100%

Admission requirements

- Ontario Secondary School Diploma or Equivalent * or Mature student **
- Age 18 or older
- IELTS of 5.5 or equivalent for non-native English speakers

*A transcript, diploma or certificate from another country are considered equivalent to an Ontario high school diploma if assessed at an Ontario OSSD level by a recognized assessment service.

** Mature students must be at least 18 years of age and pass a Wonderlic Scholastic Level Exam with a minimum score of 15.

Career opportunities

Graduates of this diploma will be able to aim for roles in multinational companies including positions such as:

- Informatics Security Analyst
- Systems Security Analyst
- Security Administrator
- Security Software Developer
- Cryptographer

Preparatory Course for ACCA Examination

Key facts

Start dates:
March and September

Full-time Duration

Academic: 55 weeks

Total Length: 115 weeks
including scheduled breaks

Class time:
Daytime or Part-Time classes

What is ACCA?

The Association of Chartered Certified Accountants (ACCA) is a professional accountancy qualification that is recognized around the world, with 503,000 students and 208,000 members worldwide across 179 countries.

Once you qualify, ACCA membership opens doors to a successful career in finance or accountancy practice, and increases your earning potential. It is highly regarded in the fields of banking, management and consulting, and provides a major advantage in competing for senior roles around the world.

ACCA in Canada

Toronto School of Management has been awarded with Gold Learning Partner status by the Association of Chartered Certified Accountants (ACCA), which has over 5,000 members and students in Canada.

As a Gold Learning Partner, this means that TSoM has met ACCA's high performance standards including the evaluation of our student feedback, tutors, student reviews, facilities, mock exams and more.

Computer-based assessment

Our Campus is licensed computer based examination (CBE) centre for ACCA global body. Students have the option to take on demand CBE for papers AB, MA, FA, and LW.

ACCA global registration

For more information about ACCA, exam regulations and minimum entry criteria for each country, visit the website at www.accaglobal.com or email info@accaglobal.com

Why study the Preparatory Course for ACCA Examination?

More quality hours

The more time you spend in lectures, the more likely you are to pass your exams – so we ensure that we provide you with quality time learning from your tutors.

Highly experienced tutors

Our tutors are selected for the depth of their subject knowledge, communication skills, and passion for teaching. Their years of experience mean that they can explain how concepts link to real business scenarios.

Free ACCA paper re-sit[^]

We recognize your commitment to your studies, so we offer a free re-sit program[^] in the unlikely event that you have to repeat the exam.

24/7 online support

Supplement your ACCA lectures with online study resources on the award-winning InterActive Study Platform. You'll be able to practice exam questions and watch HD video recordings.

Route to a BSc

This program also opens up a study route to a BSc (Hons) in Applied Accounting with Oxford Brookes University. TSoM can recommend pre-selected tutors to help you to pursue this. For more information visit the Oxford Brookes BSc section on the ACCA Global website.

Pathway to an MBA

Our program has a pathway with University Canada West (UCW) MBA program. T&Cs apply.

** Mature students must be at least 18 years of age and pass a Wonderlic Scholastic Level Exam with a minimum score of 15.

University Pathway Program (UPP)

TSoM's pathway program provides an opportunity for students to study the Diploma in Business Administration Co-op or Diploma in Business Management Co-op and continue your education at a Canadian university after completing your diploma with TSoM. This is an excellent program if you wish to work full-time in Canada after receiving your degree from a TSoM higher education partner.

Why study the pathway program?

- You can transfer your course credits earned with TSoM towards our partners' degree program and earn a degree faster. To be eligible for this, you must have a minimum cumulative average of C and no individual course grade lower than a C.
- You can enjoy the added benefit of applying for a Postgraduate Work Permit (PGWP) to secure a job in Canada for a maximum of 3 years after graduation. To be eligible for this, your course must be a minimum of 8 months as your work permit will not be longer in duration than your course and you must have continuously studied full time in Canada.
- You will gain some solid work experience in Canada.

Our higher education partners

University Canada West is a business-focused institution providing students with up-to-date industry knowledge and trends. UCW prides itself on being a contemporary institution with a modern outlook and diverse students. UCW's faculty are dedicated, passionate and motivational individuals who aim to make a difference to the life of every student. You are able to select whether you wish to study online or on-campus.

Yorkville University is a private institution located in Toronto, New Brunswick and Vancouver which offers a variety of courses. Degrees can be taken on-campus or online and students are taught by a dedicated and passionate faculty who are recognized in their respective fields for their distinctive work. Yorkville is proud of its unique mix of combining traditional values with innovative, interactive teaching methods with small classes to offer a meaningful and worthwhile academic environment.
